

## Windmill Pre-school Lytham at Lytham C of E Primary School

Windmill Pre-school Lytham is a sessional pre-school offering care and education promoted through play for 2, 3 and 4 year old children. The setting is registered with Ofsted (URN: EY306575), currently accommodating up to a maximum of 18 children per session of mixed ages, and is open Monday to Friday (term time only) for 38 weeks of the year.

As a member of the Pre-school Learning Alliance and a registered charity (1107707), Windmill is a 'not-for-profit' pre-school, run independently by a voluntary management committee. Windmill has enjoyed a successful partnership with Lytham C of E Primary School since September 1997, and works closely with the primary school to support our children's transitions into 'big' school'.

To promote your child's overall development, using the comprehensive framework of the Early Years Foundation Stage (EYFS), our qualified experienced Early Years practitioners plan a balance of both adult led and child initiated play based activities, for indoors and outdoors, that are equally challenging and stimulating.

Our aim is to support and develop your child to become secure, confident, imaginative and creative by using the prime and specific areas of learning and development of the EYFS that encompass:

- **Personal, Social and Emotional Development**
- **Communication and Language**
- **Physical Development**
- **Literacy**
- **Mathematics**
- **Understanding the World**
- **Expressive Arts and Design**

Windmill practitioners work in partnership with parents and encourage parents to be active members of our pre-school. We provide a range of support, information and advice and keep you up-to-date and involved through your child's key person and our 'open door' policy, hold regular parent meetings as well as special 'Stay & Play' sessions for new children and their parents.
