Parent Governor Election

A vacancy has arisen for a Parent Governor to join our committed and hard-working Governing Body. Governors have a really important role to play in our school, and there is more information accompanying this newsletter. If you would like any more information on what the role entails, then please do come and ask me! Nominations must be returned to me in school by 12 noon on Friday 12th May. May I take this opportunity to thank Mr Fisher who was Parent Governor, for all the hard work and dedication that he has given to our school.
