

.... in everything give thanks; for this is the will of God in Jesus Christ for you. 1 Thessalonians 5:18

Mark Menzies our MP came to visit school today. He was greeted by our Head Boy and Girl who did an excellent job at representing us.

MATHS MEETING—not to be missed!!

Could you return the slip to school if you would like to come to the meeting on Wednesday 21st September. It will be a really informative evening, and I highly recommend it to you whatever the age of your child!

STAFFING—SENCO

Mrs Oatridge finished earlier than planned, and started her maternity leave this week. Hopefully there will be baby news soon! We have an Associate SENCO in school called Mrs Gelder. She has already started in school, and will be working on Tuesdays and Wednesdays.

Individual and Family Photographs

If you would like a photograph of your child with siblings who are not yet at our school, please come to the school hall between 8:30 and 8:45am.

Children with all siblings already in our school will be photographed together at their allotted time throughout the school day. If you wish siblings to also have an individual photograph taken you must notify school in writing before Wednesday 21st September. Thank you.

The safety of all our children, and parents, is of paramount importance to us. With this in mind can I please remind parents of the following important matters:

PARKING OUTSIDE SCHOOL

Please do not park on the zig zags, double and single yellow lines, outside school at any time

CAR PARK

- The car park should not be used to access school at anytime. This includes accessing the office and pre school.
- Parents should not use the car park at any time of day. This includes before and after school.

Thank you for helping us keep your children safe!

Y1, Y2 and Y3

If you wish your child to have the **NHS Nasal Flu vaccination** your consent form should be returned to school by Wednesday 21st September.

The new clubs and activities have gone really well this week and have been enjoyed by all the children that took part.

KS2 - Backpacks

Many children have returned to school with large backpacks which are putting a lot of pressure on the limited space in our cloakrooms. Please could we ask that children bring their PE kit in a drawstring PE bag, and bring just book bags and lunchboxes where possible? Thank you.

COATS

Please can **all** children bring a coat to school with them. The weather can often change during the day and they will need to wear a coat at playtimes.

Attendance

Our whole school attendance for last week was **97%**

The class with the highest attendance was **Rec/Y1** with **100%**

This Weeks House Winners Are:

ALL HOUSES!
FOR GETTING OFF
TO A REALLY
GOOD START!

Congratulations to all our Stars of the Week

Rec. Tia For being helpful and kind.
 Jenson For brilliant behaviour.

This week we have been having a great time exploring all the areas of learning in our new classroom. We have all settled in really well and are enjoying big school.

Rec/Y1 Alfie For good behaviour and being excellent role models.
 William For good behaviour and being excellent role models.

This week we have been learning about owls! Our book of the week is Owl Babies by Martin Waddell. We have been thinking about owl facts, painting owls and making owls out of modelling clay.

Y1/2 Paige For great independent writing.
 Reuben For being helpful and tidying up.

This week we have been learning to tell the story of the Gingerbread Man.

Y2 Charlie For always working hard and being so sensible.
 Ellis For always working hard and being so sensible.

This week we have been learning about place value in Maths.

Y3 Bella For always being the best that she can be and being a wonderful role model.
 Luke For trying super hard and putting 100% effort into all subjects.

This week we have been learning place value of 3-digit numbers and how to use paragraphs in our writing.

Y4 Kyle For being such a good role model.
 Charlotte Fu For having a great attitude to school.

This week we have been learning about place value, and how to make, order and compare 4-digit numbers.

Y5 Francesca For outstanding role model behaviour.
 Daniel For enthusiasm and effort in all lessons.

This week we have been learning mental calculations using place value and writing reports to Mission Control from Mars.

Y6 Elliani For excellent hockey skills.
 Gracie For wonderful art work.

This week we have been learning about space and our solar system.
